

Fearful of Ageing and Death?

SEVEN AGES IS THE ANTIDOTE

After successful performances last year, Seven Ages returns to the St. Augustines Centre, one of the most spectacular venues in Brighton. A great line up of, musicians, actors, drummers and dancers explore life, ageing and death.

For Jacques, the journey from cradle to grave is fraught with angst and fear. But life's trajectory is not always what it seems and our hero experiences the possibility of hope and life-force even in the face of certain death.
